

Wearnes

High Value Fanless Point-of-Sale 15" TFT LCD Terminal

Wearnes T-1550 a high value Point-of-Sale (POS) hardware solution to fulfill your POS hardware requirement. The fanless design is quiet and offers low power consumption and minimal maintenance. Removable HDD, MSR, fingerprint and VFD kit design provides an easy maintenance method, which saves your service cost.

The DC-12V output provides sufficient power for your 2nd display from POS terminal, and offers better cable routing and high-integration for the 2nd display. Small footprint is ideal for installations where space is compact in stores.

The VESA mounting design of Display Head, only 100 x 100mm, provides an option for wall-mounting application when detaching the stand of terminal. The design offers a spill resistant and high integration for POS peripherals, which provides restaurant and retail conditions with continuous operation.

Wearnes T-1550

Main Features

Build-in Atom D525 Dual-Core Processor
